MEMORANDUM FOR: Director of Operations

ATTENTION:

**SUBJECT: Duplicate Materials on Penetration
Missions for ONI**

REFERENCE: TCS-1004-57, 4 March 1957

1. I regret to inform you that Captain Clifford of the Navy has advised me that because of the present limited number of cleared photo processing personnel at USNPIC it is considered advisable for the Navy to receive temporarily a duplicate negative rather than a duplicate positive of future penetration missions. This reverses the request that I placed upon you in the referenced memorandum.

2. When USNPIC has the capability to handle the duplicate positive material as they originally preferred, I will inform you.
